

# PINNACLE BUILDER

## IS BACK

The Pinnacle Builder Award honors the builder member who used the highest percentage of FABA Member trade partners to complete their homes in 2022. When FABA members are doing business with other members, we keep our association strong, forge strong business relationships, and support growth in our local building industry. This award serves to encourage builder members to use the goods and services offered by members and to recognize the builder that exemplifies the importance of teamwork.

## EASY TO APPLY

- Print the attached PDF form and fill it in.
- Fill in all 50 applicable categories.
- The award will be given at the Holiday party on December 15th
- Please ensure that the members you list on the form were specifically involved in the production of your homes built in 2022.
- Completed forms are due December 1st, 2022.

**DEADLINE DECEMBER 1ST  
APPLY NOW**

# 2022 Pinnacle Builder

*"It's good business to do business with a member"*

The FABA Pinnacle Builder is one of our most prestigious awards. The Pinnacle Builder honors the FABA builder member who exemplifies the association's mission to promote doing business with another member. When FABA members are doing business with other members, we keep our association strong, forge strong business relationships, and support growth in our local building industry. This award serves to encourage builder members to use the goods and services offered by members and to recognize the builder that exemplifies the importance of teamwork.

We are excited to bring this award back this year.

Over the years, the Pinnacle Builder Award has had some amazing entries from our builders in the local region. As you can see, this year your entry for the award is not tied to a Parade of Homes house. The entry list is the heart and soul of your award application. We ask that you fill in your trade partners used in the construction of your homes in 2022

Once complete, submit the form to us at FABA (no later than December 1st, 2022) and we will tally up the points. After our verification process is complete, the builder with the highest point total will be named the 2022 Pinnacle Builder and presented their award at the Installation of officers and holiday party on Thursday, December 15th. In the event of a tie, the winner will be chosen based on the number of members recruited in 2022 and if the builder company attended at least one FABA event or meeting in 2022.

The winner of this most prestigious award will receive their winning home featured on the website banner image of FABAVA.com, and recognition during the December holiday and board installation. Your award will be recognized in a press release from the Association along with two social media posts. Your home will be the stock photo for the 2023 Parade of Homes promotions. Finally, you will receive a trophy to display in your winning home or company office.

A few notes about the forms:

1. Print the attached PDF form and fill it in.
2. Fill in all 50 applicable categories. If your vendor in a specific category is not a FABA member, let us know whom you are working with, so that we can invite them to become a member of FABA.
3. The award will be given at the Holiday party on December 15th.
4. Please ensure that the members you list on the form were specifically involved in the production of your homes.
5. Completed forms are due no later than December 1st, 2022.

Call FABA with any questions.

Application Fee: \$100

Make checks payable to FABA, check can be mailed to:

3006 Lafayette Blvd. Fredericksburg, VA 22408

Contact Meghan@fabava.com to pay by credit card.
