CODE OF ETHICS

WE AS MEMBERS OF THE FREDERICKSBURG AREA BUILDERS ASSOCIATION BELIEVE AND AFFIRM THAT:

- American homes should be well-designed, well-constructed, and well-located in attractive communities with educational, recreational, religious, and shopping facilities accessible to all.
- American homes should be built under the free enterprise system.

TO ACHIEVE THESE GOALS, WE PLEDGE ALLEGIANCE TO THE FOLLOWING PRINCIPLES AND POLICIES:

- Our paramount responsibility is to our customer, to our community, and to our country.

- High standards of health, safety and sanitation shall be built into every home.
- Members shall deal fairly with their respective employees, subcontractors and suppliers.
- As members of a progressive industry, we encourage research to develop new materials, new building techniques, new building equipment, and improve methods of home financing, to the end that every home purchase may get the greatest value possible for every dollar.
- All sound legislative proposals affecting our industry and the people we serve shall have our informed vigorous support.
- We hold inviolate the free enterprise system and the American way of life. We pledge our support to our associates, our local, state, and national associations and all related industries concerned with the preservation of legitimate rights and freedoms.
- We assume these responsibilities freely and solemnly, mindful that they are a part of our obligation as members of the National Association of Home Builders.
