Welcome to the Executive Administrator Corner *....Debbie Acors*

The fame, the glory, the fun! Parade of Homes Celebration was like no other. Personality, Conrad Labossiere spearheaded the social event with jokes and mischief as everyone patiently waited to see what model he held in his hands. Catcalls and cheers went out to the award recipient, even a Conga line marched onto stage to accept their award.

Acres of countryside, and antique structures added to the festivities at Stevenson Ridge, but the guests, their burst of laughter, and friendly encouragement and congratulations created an extraordinary ambiance that will live in minds for days and years to come.

As the saying goes, pictures are worth a thousand words. Yet, I have to say, nothing compares to being at the celebration. It is a must do affair. Even if you didn't participate in the Parade of Homes, this is a networking event that will keep on giving. To view the images, go to

Spotsylvania County would like you to know:

There is a phone located in the inner lobby at the Spotsylvania County Community Development Office. This phone is for the convenience of customers that may have a scheduled meeting or have a specific question for an associate in the Building, Planning or Zoning department. By choosing to use the lobby phone, the customer could potentially avoid waiting in line for an associate to be called to the counter for them.

From my point of view, looks like everyone is still going strong and I hope the trend continues.

As always, it is a great pleasure to work with each and every one of you.

Thank you for your support!!!!

Fredericksburg Area Builders Association
About the association

The Fredericksburg Area Builders Association, chartered in 1968 and incorporated in 1980, represents thousands of people whose livelihoods are directly tied to the building and building-related industries. FABAA, a tax-exempt trade association, is affiliated with the National Association of Home Builders (NAHB) and the Home Builders Association of Virginia (HBAV). With its main purpose to create and maintain a favorable climate for the growth and development of the building industry, the Fredericksburg Area Builders Association seeks to develop and maintain high professional business standards with the ultimate goal of providing home ownership to all individuals and families in our area. Centrally located between Washington, D.C., the nation's capital, and Richmond, Virginia, the state capital, FABAA serves the historic Fredericksburg, VA area including the surrounding counties of Spotsylvania, Stafford, King George, Caroline, and Orange.
