RE: Attention Industry Members and Homeowners

**\*\*Due to the current Coronavirus situation, Effective Wednesday, March 18, 2020,\*\***

Spotsylvania Building Safety Inspection Department will be contacting all customers who are requesting a construction inspection at any private residence to ask the following questions:

- Is anyone in the household sick or has recently been ill with flu-like symptoms.
- Has anyone in the household recently traveled outside of the United States?
- Is anyone in the household under isolation or quarantine?

Spotsylvania Building Safety Inspection Staff will be contacting customers at all private residences between 8:00 am – 9:00 am the morning of the scheduled inspection.

If the answer to any of the above questions is "Yes," Spotsylvania Building Safety Inspection Staff will not be conducting the scheduled inspection, and the scheduled inspection will be administratively canceled.

If you have any questions, please contact our Construction Inspection Staff at 540-760-7846. We sincerely appreciate your understanding and cooperation regarding this matter.

Sincerely,
