

# COVID-19 RESPONSE: BLOOD DRIVE

There is no known end date in the fight against coronavirus and the need for blood and platelet donors is greater than ever. In response to this outbreak, the Home Builders Association of Virginia (HBAV) is putting out a call to membership to give blood to save lives.

**You can make an appointment by clicking [here](#). Please do not feel discouraged if there is not an immediate appointment available - patients still need you. During this uncertain time, we encourage you to make blood donation appointments for the weeks ahead to ensure a stable supply throughout this pandemic.**

**After you, your employees, or your family donates, please let your local HBA know. The local HBA with the most blood donations will be recognized on social media and receive an award at the HBAV Installation of Officers ceremony in November of 2020.**
